# SERVICE DATA

"CADET-AUTO 881"

"CADET 880 884"

881 Incorporating multispeed changer either Collaro or B.S.R. To reveal chassis remove the tone and volume control knobs and the panel behind these is secured by two retaining wood screws, on removal of these the panel can be withdrawn. The base panel is removed by the withdrawal of the four feet and screws.

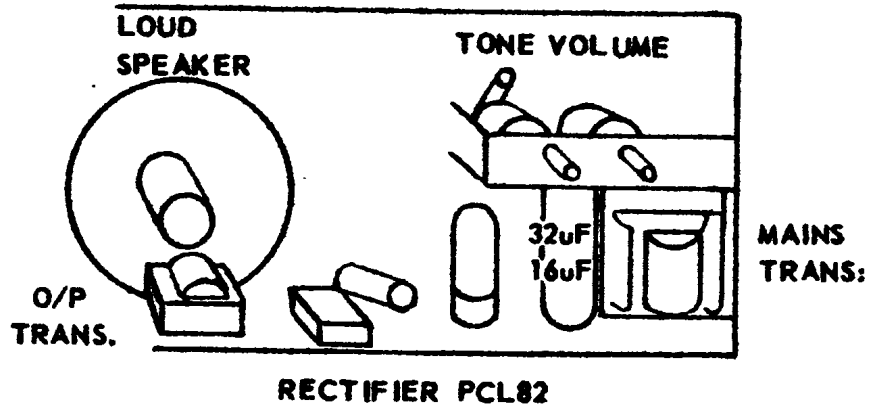

880 884 Incorporating single player multi-speed unit, either BSR(880) or COLLARO(884). Removal of the bottom cover by withdrawal of the four feet screws will reveal the chassis.
