Goodmans EALING

Ealing Turntable
Mode number: GDPTURNT01CRM / GDPTURNT01BLK

THANK YOU

Thank you for choosing a Goodmans product. We've been making electronics for the British people for 70 years. Each of our projects has been carefully designed to be great at what it does and this one is no exception. We hope you enjoy your new Ealing Turntable.

Please read the Guarantee & Safety booklet before starting. The full User Manual is available online.

Quick Start Guide

Guarantee & Safety booklet

LISTENING TO EALING:

- a** Connect the power supply. The red LED will illuminate. Keep connected to the mains for 4 hours to fully charge.
- b** Remove white protective needle cover.
- c** Place the record onto the turntable.
- d** Use the lever to raise the tone arm. Move the tone arm over the record to the beginning of the track you wish to play.
- e** Use the lever to lower the needle onto the record and playback will start.

DID YOU KNOW?

You can convert music from your record player to MP3 files on your computer.

<http://www.audacityteam.org/download/>

Download this software to rip your records to MP3 on your PC/MAC.

Connect your turntable to a PC using the USB cable provided.
