

# Service Manual

SR-92MKIIU

Audio/Video surround stereo receiver

This service manual explains them by extracting the different specifications from those of the model SR-92MK II, based on the model SR-92. For both electrical and mechanical information on the after-sales service which is not stated, all information is described in the model SR-92 service manual (Code number 129J855010).

The dispatch of the parts for after-sales service has to be referred to this service manual, with the first priority.

For this reason, please use this service manual with referring to the model SR-92 service manual, without fail.

## DIFFERENT PARTS LIST BETWEEN MODEL SR-92 AND MODEL SR-92MK II
