**Quick Start Guide**

This guide is intended to guide you through the basic functions of this navigation system. For details, please refer to Operation Manual.

---

### Searching for your destination by address

1. **Display “Navigation Menu” screen and touch Address.**

   ![Navigation Menu](image)

2. **Input the information that you want to set as the destination.**

   Touch **City** to enter the city name and then enter the street name. After narrowing down your destination, the Location confirmation screen will appear.

3. **Touch OK.**

   ![OK](image)

   After searching for the destination, the Route confirmation screen appears.

4. **Touch OK.**

   ![OK with map](image)

   The navigation system gives you route guidance both visually and by voice.

---
